<u>Sunshine Coast District Veterans Golf Association Crowns New Champion</u>

Tin Can Bay 18th July 2024 –

The Sunshine Coast District Veterans Golfers Association (SCDVGA) recently held its annual District Championship Competition, culminating in a thrilling playoff between 3 players and final victory for John Shankaran from the Caloundra Golf Club.

 The event, open to all golfers belonging to the SCDVGA, showcased the impressive skills and sportsmanship, drawing a full field of players.

John Shankaran delivered an outstanding performance throughout the tournament. The final playoff hole between 3 evenly matched players was particularly exciting, with John Shankaran securing the championship title with a remarkable approach shot to the green resulting in a tap in birdie and a win.

In a memorable trophy presentation ceremony, Ted Curtis, President of Tin Can Bay Vets Golf Club in conjunction with Phil Edkins, the Captain of the SCDVGA proudly presented the championship trophy.

"We are delighted to honour the talent and dedication of our senior golfers," said Phil Edkins "The SDVGA District Championship Competition is a highlight of our annual calendar, bringing together players who continue to inspire us with their skills and passion for the game. Congratulations to John Shankaran on a well-earned victory." he said

The SDVGA Competitions are more than just a contest; they are a celebration of the enduring love for golf among our senior community and are fully supported by the Golf clubs on the Sunshine Coast.

As we look forward to next year's competition we reflect on the success and memorable moments of this year's event. The Sunshine Coast Veteran golfers eagerly anticipate another year of spirited competition and camaraderie.
